IMA NHB TNSB CORPORATE MESSAGE

Dear Members,

All X Ray Machines, Radiological Equipments in the Country are required to register with **Atomic Energy Regulatory Board (AERB), Govt. of India**, to ensure the radiation safety of our working environment. To comply this **mandatory** requirement and to ensure X Ray Radiation safe practice, our board has initiated a step to sign an agreement with the **AERB** Authorised Services Providers.

In this process a **MOU** has been signed with

1. Sun Radiological Services, Coimbatore

&

2. Advanced QA Services (AQAS), Chennai

to carry out the process. Board has negotiated and arrived to a least service charges and fast processing method.

The signed MOU copy and Rates are with the service providers for reference.

I recommend all the NHB Members to use this best opportunity. The Charges are exclusively for IMA NHB TNSB Members. IMA NHB Corporate Members need not pay service charge of Rs.250/- to NHB. Others have to pay.

Also visit www.imanhb.org for more details.

Dr.A.K.Ravikumar.

Convener IMA NHB TNSB (Corporate)

Dr.B.Sridhar

Hony.Secretary, IMA NHB TNSB
