

TIMA NEWS MESSAGE – APRIL 2022

Greetings from NHB IMA TNSB !

We are all facing a lot of challenges in the post Covid situation in scheduling our practice, caring for the patients and administering the hospital activities.

We are having a lot of adverse news from all over the country that Doctors and Hospitals are being threatened and attacked. We have lost the precious lives of few of our colleagues in this battle. We need not to lose our hope. IMA TNSB and NHB will be taking efforts to have a safe practice

The following activities were done apart from the regular activities.

We sensitized our present IMA office bearers of various branches about NHB in Leadership training program on 06.03.2022. Active participation and discussion happened in the training

We presented our achievements and financial status in the 312th State Council Meeting happened on 20.03.2022 in Kallakurichi. Everyone asked us to speed up the minimum wages and insurance issues and find some solution soon.
