

## TIMA NEWS MESSAGE – MAY 2022

Warm greetings from NHB IMA TNSB!

We are getting strengthened day by day and all the missed activities are being geared up. After the new enrollment of 16 new hospitals the strength of our membership has become 4478.

We submitted our reports in the FSC which was well appreciated by the FSC chairman on 1<sup>st</sup> May 2022 @ JVL Plaza, Chennai.

The long awaited new rules for Fire Safety in hospitals issued recently on 25.04.2022 by the Principal Secretary of Health and Family Welfare department of Tamil Nādu (letter (Ms.) No.138).

It is with reasonable modifications for existing hospitals. There are separate guidelines the high rise buildings. The concept is for easy evacuation. They advice to keep our ICU and Operation theaters in the ground or first floor for easy evacuation of patients during emergencies. Ramp guidelines are modified. Try to follow as far as possible in old buildings. For those who want to start new hospitals- take care of these guidelines. This is being published in our website. If you need a copy you can write to us.

We are also lobbying for minimum wages review committee. Soon we are expecting some good news from the Government. A representation had been handed over to the Labour Minister Shri C.V.Ganesan regarding this with the help of our PPLSS Vice Chairman Dr.Nehru and Dr.Magudamudi, President, IMA Kallakurichi.

We are working hard for the East Zone NHB Meet at Tanjavur hosted by Tanjavur IMA, about which you will getting reports in the next issues.

During the vacation kindly relax with your family and get out of your stresses and burn-outs.

Long Live IMA ! Long Live NHB !
